I wanted to take opportunity to tell how pleased and impressed I was with the service provided by your team in Poro Point Industrial Port at San Fernando, La Union. Anly Rodriguez, Sonny Soneja, Arthur Echon, Anned Buenaobra, Jobee Tuceno, Danilo Malaon, Kristopher Aquino and Lhey Samson, all did an outstanding job. Every requirement was met quickly, professionally, and without delay. They were responsive and always available on short notice.

Your assistance in obtaining Millinocket's bunkering permit went above and beyond your assigned responsibilities and it was very much appreciated. That level of service is outstanding and your team should be very proud of completing a job well done.

You have a great team in San Fernando, La Union and I look forward to working with them again in the future.

Best Regards,
